

## Final Report

**INSTRUCTIONS:** Please provide detailed information regarding your research in the sections below. Sections E-I should be approximately 3 pages total.

A.	PI Name:	Title:
	Institution:	
	Address:	
	Phone:	PI Email:

B.	Project Title:
	Award #:

C.	Progress report covers the funding period from ( <i>contract date to today's date</i> ):
----	--

D.	Key personnel, title and roles:
----	---------------------------------

**\*\*\*Sections E - I should be approximately 3 pages total \*\*\***

E. **Specific Aims.** *If they have been modified, give the modified aims and the reason for the modification.*

- F. **Studies and Results.** *Describe the progress of studies during the period covered in this report and the results obtained. Include negative results. If technical problems were encountered in carrying the first phase of this project, describe how your approach was modified.*
- G. **Significance.** *Emphasize the significance of the findings to the scientific field and their potential impact on health.*
- H. **Plans.** *Include any important modifications to the original plans.*
- I. **Publications.** *List the title and complete references of all publications, if any, including manuscripts and abstracts submitted or accepted for publication. Indicate whether Foundation support was acknowledged. Include reprints of any publications as an Appendix.*
- J. **Budget.** *Provide a **detailed expense report** to date from the accounting department summarizing allocation of expenses with AASM Foundation funds. Describe any re-budgeting of funds from what was originally approved for this project.*
