

INSTRUCTIONS: Please provide detailed information regarding your research in the sections below. Sections E-I should be approximately 3 pages total.

A.

PI Name:	Title:
Institution:	
Address:	
Phone:	PI Email:

B.

Project Title:
Award #:

C. Progress report covers the funding period from (*contract date to today's date*):

--

D. Key personnel, title and roles:

--

E. SPECIFIC AIMS: Please list the approved specific aims below. If the aims were modified, please include the date the modification was approved by the AASM Foundation and provide a brief justification.

F. PROJECT RESULTS: Describe the progress made toward addressing the specific aims during the funding period covered in this report. Describe any results obtained, including any negative results. If technical problems were encountered during this funding period, describe how your approach was modified.

G. PLANS: Describe the planned activities for the next reporting period. Include any important modifications to the original plans, and provide an updated study time line, if significant changes have been or will be made.

H. PUBLICATIONS: List the title and complete references of all publications, including manuscripts and abstracts submitted or accepted for publication. Indicate whether AASM Foundation support was acknowledged. Include reprints of any publications as an Appendix.

- I. **BUDGET:** Provide a **detailed expense report** to date, from the accounting department, summarizing allocation of expenses with AASM Foundation funds. Describe any re-budgeting of funds from what was originally approved for this project.
Note: Any reallocation of the budget >10% must be approved by the AASM Foundation.
