

Opportunities for Corporate Support in 2022-23

The American Academy of Sleep Medicine Foundation (AASM Foundation) is the leading charitable and scientific organization focused on addressing the challenges caused by sleep and circadian disorders. Over the past 23 years, we have invested more than **\$20 million in funding to support clinical research, training and community-based projects.**

The AASM Foundation's opportunities for corporate support are available to companies interested in gaining exposure to members of the sleep medicine community while also expanding their philanthropic support of clinical research and the AASM Foundation's programs.

For more information about these opportunities, please contact **Joe Donohue, Director of Development,** at **(630) 737-9725** or **giving@aasm.org**

Our Mission

Promote discoveries that advance the understanding of sleep for healthier lives.

Our Vision for Society

Healthier lives through better sleep.

Disclaimer

This outline of proposed benefits for industry supporters is for informational purposes only. The AASM Foundation reserves the right to modify these offerings at any time. Upon written request, the AASM Foundation will consider a company's offer to sponsor or partially sponsor an AASM Foundation grant, reception or program. The AASM Foundation reserves the right to determine which requests will be accepted.

1. The benefits and special recognition associated with each giving level will be made available for one year or 365 days from the date that a written request or contract submitted by a company is approved by the AASM Foundation.
2. Leadership may include members of the Board of Directors, AASM Foundation Development Council, other committees and/or senior staff.
3. See next page for program description.
4. Sponsorship of grants or new initiatives must receive Board approval. Cost of sponsorship would be the amount of grant funding or the anticipated costs of the special initiative.

The Young Investigators Research Forum (YIRF) is an annual conference designed to aid the career development of promising early career investigators in clinical and translational sleep medicine research. The forum provides a unique venue for collegial interaction between early career investigators and established senior investigators across the broad spectrum of clinical sleep research.

Additional Sponsorship Opportunities

The AASM Foundation organizes special stand-alone receptions and activities in conjunction with the following conferences and events.

AASM presents
**SLEEP MEDICINE
TRENDS**

**SLEEP
2022**

If your company would like to gain visibility, while showcasing your commitment to sleep research and the AASM Foundation, the following are examples of opportunities that are available:

- Sponsorship of special receptions honoring donors, volunteers and grant recipients range from \$5,000 to \$20,000
- Sponsorship of a grand prize or additional prize in a fundraising raffle ranges from \$2,500 to \$7,500
