AASM FOUNDATION RAISES FUNDS IN HONOR OF SLEEP MEDICINE FELLOWS AND FACULTY

Honor Graduates & Faculty

In 2020, the faculty at the University of Miami Miller School of Medicine and Miami VA Healthcare System joined together to make a special $1,600 donation to honor three fellows when they completed their year-long sleep medicine fellowship training program.

Their generosity inspired the AASM Foundation to encourage all faculty in sleep medicine and research programs to recognize the 2021 graduating sleep medicine fellows, trainees and others by contributing to our special Honor Graduates and Faculty Campaign.

Thanks to the following participants, the Foundation raised more than $4,000 in honor of sleep medicine fellows and faculty. Donations to the Honor Graduates and Faculty Campaign support expansion of the Foundation's programs including a new Diversity Supplement Award and the Sleep Medicine Fellow Funding Award.

Have you made a donation to the AASM Foundation? Visit foundation.aasm.org/donate and learn about the many ways to you can support our grants and training programs.
