

Sleep Grand Rounds:

Sleep Is a Human Right: Reimagining
Sleep Care For the Underserved

July 24, 2024 | 1:00 – 1:45 EDT

This grand round lecture will feature the work Dr. Justin Fiala completed as part of his AASM Foundation grant titled CHI PAP: Community Health Initiative for Patient-Centered Apnea Programs.

Learners should attend the seminar to understand practice and sleep health gaps, and how the AASM Foundation-funded work addressed those gaps through project findings.

Topics will include:

- Sleep care access in low-resource communities
- CHI-PAP model (triage/referral, diagnostic testing, CPAP initiation, and long-term follow-up)

Justin Fiala, MD

Continuing education credits are available.

If you have any questions about the AASM Foundation or our programs, please email us at foundation@aasm.org or call 630.737.9724.

The American Academy of Sleep Medicine (AASM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. AASM designates these activities for AMA PRA Category 1 Credits™:

AASM Foundation Grand Rounds: Sleep Is a Human Right: Reimagining Sleep Care For the Underserved - Maximum of .75

The AASM will issue all other non-physicians a letter of attendance for activities designated for AMA PRA Category 1 Credits™.

Physicians and all other participants should claim only the credit commensurate with the extent of their participation in the activity.

AASM Foundation webinars are
free and open to everyone.
